

THINGS YOU NEED TO KNOW, PLEASE READ.....

- **FIRE DRILL:** Please make yourself and your children aware of emergency exits on each level. The meeting point is the bottom of the outside steps, wait to be counted and for further instructions.
- **DUTIES:** Please read the roster. Remember everyone is to rinse and stack their own dishes. Those on duty must remember to empty the dishwasher when the cycle has finished.
- **ROOM TEMPERATURE:** The large white heater by the main window is automatic; please don't try to alter it. If there is a problem see the Managers. The round gas fire you control, it is only ON or OFF by turning the black button at the base of the fire.
- **LUNCH:** If you will be back for lunch please tick on the board for each person. (This gives us a guide of how much to prepare)
- **RESPONSIBILITIES:** Members are responsible for their guests and parents are responsible for their children in and around the lodge.
- **WE SELL:** Cans of soft drink and bottled water.
- **LAST TO BED:** Close any windows upstairs that may have been opened during the evening. Turn off all lights, the two EMERGENCY EXIT lights remain on throughout the night and turn off the round gas fire.
- **DEPARTURE DAY:** Please strip sheets and pillowslips, place under the stairs on the ground floor in the pull out baskets.

Empty your bin and vacuum your room.

**IF YOU ARE NOT SURE OF ANYTHING
PLEASE DO NOT HESITATE TO ASK THE MANAGERS OR A MEMBER.**
