

## Snow Country Ski Club Policy Co-operative Ltd

### **Junior Development Program (JDP) Policy & Application Form**

The Snow Country Ski Club Co-operative Ltd (SCSC) seeks to develop the sports of downhill skiing, snowboarding and cross-country skiing during the formative years of member's development. To achieve this, the SCSC sponsors up to 11 members, under the age of 18, to be trained in snowboarding, downhill and cross-country skiing. This training occurs during 4 consecutive days of the July school holidays each year (in 2009 from Sunday 19 July to Wednesday 22 July 2009). The alpine training (skiing and snowboarding) is provided by the Perisher Blue Race Department Instructors. The cross-country ski training is provided by Wilderness Sports. All training is for race training (about Level 4 and above) and is not a learn to ski program.

The rules for acceptance by applicants into the SCSC Junior Development Program (JDP) are as follows:

- 1) Application forms for the JDP are available via the SCSC website (or alternatively email or mail upon request) and must be received by 27 February by the SCSC Club Captain (Robert Smith - [robertsmith@optusnet.com.au](mailto:robertsmith@optusnet.com.au)). Applications received after 27 February will not be considered.
- 2) Applicants must be financial members at the time of application.
- 3) The non-member children of financial members will also be accepted into the JDP if by 27 February if there are not sufficient financial members to fill places in the JDP and provided they reimburse the club for half individual cost of the JDP. Note: these applications to the JDP must also be received by 27 February.
- 4) Participants in the JDP are encouraged to train in all three disciplines (snowboarding, downhill & cross-country skiing).

*Junior Development Policy & Application Form*

without delay once the Program dates have been confirmed. Acceptance in the Training Program does not imply acceptance of accommodation bookings.

- 9) Accommodation bookings will be considered on a first come first served basis starting from the advertised first day of acceptance of booking forms.
- In the event that there are insufficient beds for all applicants the Board will conduct a Ballot with first preference going to families where all members requiring accommodation are club members, and all the Junior Members in that family are taking part in the program.
  - Second preference will then be given to families where all members of the family are club members, and one Junior Member of that family does not wish to take part in the program.
  - Third preference will then be given to families where all except one member of the family are club members, and all the Junior Members in that family are taking part.
  - Fourth preference will then be given to families where all members of the family are club members and two Junior Members of that family do not wish to take part in the program.
- 10) Sponsorship for the JDP includes training costs for the participant on the nominated training days. However, it does not include accommodation at a SCSC lodge, lift tickets, provision of equipment, clothing or any other items associated with the JDP.
- 11) At least one parent will be required to attend and be Guardian to their child or children outside the hours of the training course, unless another parent of a participating child accepts Guardianship of a non-attending parent's child.
- 12) The Club Captain will confirm acceptances and the dates of the Program by email to each applicant after receipt of the JDP Applications and consideration by the Board by 10 March 2009.

13) In the event that all possible occurrences have not been adequately accounted for in these guidelines, the Club's Board of Directors will make the necessary final decisions and will inform members accordingly.
